MEMORANDUM FOR THE RECORD

STAT

SUBJECT: Telephone Conversation with [REDACTED]

STAT

[REDACTED] was my student at Georgetown last year. She currently works in the Washington Bureau of the Small Newspaper Group, an organization that represents small town midwest dailies. She wants to do an analytical piece on the likely effects of the Iranian arms deals/contra funding issue on the larger question of the Reagan Doctrine. I believe [REDACTED] is generally friendly towards the Administration and the Agency. She is a former [REDACTED] reporter.

I told her that George Lauder was the person she should contact and that I would put in a word for her with him. I also asked her to wait a couple of weeks until things settle down a bit.

She said that she had talked to Durenberger a few days ago but had not learned anything of substance.
